**“Gary, many thanks for your fantastic show last Thursday at Pinewood Studios for The Alexander Mann Solutions Gala Dinner, words fail us! When can you come back?”**

Paul Kilpatrick, Alexander Mann Solutions

“Every song he sang was word and note perfect and confirmed the belief of many in his audience, now surely his ‘fans’, that he is the best young singer of the Sinatra era of melodies in the country, if not the world... his presentation of all of these well-loved classics was performed with a panache which would have pleased ‘The Guv’nor’ himself.”

This was an intimate party and you are to be complimented on your success in bringing a 'big sound' to such a small gathering without any loss of richness. Finally, thank you for dealing with some of my more robust guests in a light-hearted and amusing manner - it added greatly to the evening's entertainment." **Bill Moores, Birthday Party at Motcombs Private Rooms, Knightbridge**

"There are not many singers who could perform in such a small and intimate atmosphere. You judged the audience to perfection and my client is quite delighted." **Clive Thomas, Prestige Promotions**

"My phone has never stopped with people raving about Gary and his band! They made the night the most successful one anyone can remember. They'll definitely be back!" **Major Rick Attard, Hullavington, Wilts**

"Gary - what can we say? A touch of class. What you and your band put together on the day was absolutely perfect, classy and memorable. Our guests loved it and we loved it too. Thank you" **Richard and Debbie, Wedding**

"What a marvellous performance you gave! To hold the audience's attention like that for over an hour was remarkable – you had us all in the palm of your hand. You are without doubt one of the best cabaret artists I have ever seen! Thank you and I look forward to seeing you again." **Eric Cockman, 80th Birthday Party, Down Hall, Bishop's Stortford**

"What can I say? You were amazing, thank you so much for making our day so special. We had the most amazing day that we'll remember always." **Vanessa, Bride at Chilston Park Country House Hotel**

"We have been inundated with thank you cards and all saying (just as we knew you would be!) what a hit you were. Fantastic! "The icing on the cake" was mentioned more than once! We have been fans for years and you were everything and more we hoped for... you made the evening. You have a wonderful talent but more importantly you are a lovely person. Thank you so much." **Mr and Mrs Willey - Golden Wedding Anniversary**

“And not only is he a brilliant singer; he also puts the audience at ease. A lot of artists are not good at being themselves when not singing – Gary is as relaxed chatting as he is singing, and he’s funny too. Don’t miss him.”
